Dear Parents

A huge thank you to Miss Cowan and Miss Conneely who organised a wonderful celebration for all of the Year 4 children who have now made their First Holy Communion. Given that the children received this important sacrament in groups, they hadn't had the opportunity to celebrate together. They dressed up in their outfits and received a blessing from Fr Will, before undertaking a virtual parade for the rest of the school, and then enjoyed a fantastic cake made by Miss Conneely.

Following on from my email today, please remember to login and join your child's Google Classroom before the end of half term so that we can check that everybody has access. We will follow up with any families who don't manage to login. If we do have to implement our Remote Learning Policy (on our website), it would start the first full day after closure and all children will need to login for a live check-in with the teacher each day via Google Meets. For this reason, we want to make sure all children are ready for any eventuality.

Thank you to Mrs Carter for leading on the continued success of our science weeks. These take place each half term, for Year 1 to 6, and the children cover the whole of their science topic across a week. This allows for them to be fully immersed in the learning.

Congratulations to all the children who completed the Virgin Mini Marathon, running 2.6 miles around the playground

November

2nd INSET

3rd Term starts

13th PTA meeting –
9:10am

18th Reception parent conference meetings

Wishing you a safe and happy half term,

H. Elwes

Headteacher
