Dear Parents

We have had a productive few weeks in school. In class, we have been taking the time to assess the children to establish any gaps they may have as a result of school closure and to help us to plan further learning, and support where needed. Whilst it is taking a bit longer for some children to re-build their stamina and focus in class, we are hopeful that this will return in time and that we will be able to close any gaps in learning. On the whole, we are really pleased with how well the children have come back and the standard of their learning.

Parent conference meetings will be held soon so that you can discuss your child's progress with their teacher. These meetings will be held via Zoom. We have a new booking system this year which will be done via ParentMail. You will be able to book a time slot directly on the system and this will go live at 8pm on Monday 28th September. This is the first time we've used this system so, fingers crossed, it will work!

I hope that you have the time to read the letter I sent out this morning about Louisville Road becoming a school street. Do please volunteer to help if you can as this scheme is dependent on volunteers.

Lost property

A number of you have asked about lost property. Unfortunately parents aren't allowed on-site and so the lost property box can't be accessed. However, as always, if your child's uniform is marked, then it is more likely that it will be returned to them. Nearly every day I pick up jumpers and coats around the school and there are always some that aren't marked. If they don't have the child's name in, then we can't return them and they will be added to the stock for second hand uniform sales. If a named item has gone missing then do mention it to the teacher and we can help your child to find it.

Congratulations to our Year 4 children who are currently making their First Holy Communion. Please keep them in your prayers.

Best wishes
