Dear Parents

Parents meetings always remind us of how supportive our parents are. The teachers have commented on the very positive meetings that they have had with parents so far, and we know that this strong partnership between home and school benefits all the children.

It has been a productive half term, with all the children settling in quickly to their new classes, and working hard. One of our new drives has been to develop our school values, which have grown from our Mission Statement, and are a core part of our behaviour expectations. Thank you to one of our parents who has created this wonderful poster of our values for us.

Thank you to all of you who donated so generously to our harvest appeal for The Spires. Year 2 led a lovely assembly this morning, reminding us of the importance of the harvest, and of thinking of others.

Some of the girls had a great time at the Girls' Football Festival. Thank you to Mrs Varyawa for taking them.

Best wishes
